

# Milk Inc., I Don't Care

(Phone rings, conversation starts)

- Hello

- Hi Sil, what's up?

-Oh hi, I'm fine, I had some problems with some guys yesterday in a club, you konw what I'm talking about.

-Those stupid mothaf\*ckers, always the same lies and playing games, I'm sick of it!!

- Yeah you know, wanna have a drink?

Why don't they just tell us they wanna f\*ck us.

So we are gonna tell these guys that we're sick of it!

- Tell them girl!

(other voice: You're ready!!!)

I've got something on my mind, see  
Everytime I look around me  
Seems like every scrub I see  
Is trying to get it on with me

They think it impresses me  
the way they act so foolishly  
Do they really think they've got it made?  
I can see right through their masquerade

When we say nothing  
They call us hard to get  
When We Say No  
They call us names instead  
They haven't got a clue  
Let us spell it out for you:

I don't care  
I never liked you anyway  
I don't care  
Don't you hear me when I say  
I don't care  
Cause you're a total waste of time  
And you'll never ever ever be mine

Gotta get this of my ches, see  
These guys really start to stress me  
They should know it doesn't impress me  
They've got 50cent on Mp3

When we say nothing  
They call us hard to get  
When We Say No  
They call us names instead  
They haven't got a clue  
Let us spell it out for you:

I don't care  
I never liked you anyway  
I don't care  
Don't you hear me when I say  
I don't care  
Cause you're a total waste of time  
And you'll never ever ever be mine
