

Milk Inc, Live her life

From now on
I'll be living for the moment without your smile
From now on
You'll be nothing but a digit I won't dial
Bet you didn't see
No you didn't see it coming
Thought I was a fool
(Thought I was a fool)
Bet you didn't see
No you didn't see it coming
Now the joke's on you
(Now the joke's on you)
This is how it's gonna be from now on
You see, from now on
Baby's gonna live her life
This is how it's gonna be from now on
You see, from now on
Baby's gonna live her life
Live here life
Live here life
This baby's gonna live her life
Live here life
Live here life
This baby's gonna live her life
From now on
I'll be living in the real world, not a dream
From now on
You'll be nothing but a voice on my machine
Bet you didn't see
No you didn't see it coming
Thought I was a fool
(Thought I was a fool)
Bet you didn't see
No you didn't see it coming
Now the joke's on you
(Now the joke's on you)
This is how it's gonna be from now on
You see, from now on
Baby's gonna live her life
This is how it's gonna be from now on
You see, from now on
Baby's gonna live her life
Baby's gonna live her life
Baby's gonna live her life
Live here life
Live here life
This baby's gonna live her life
Live here life
Live here life
This baby's gonna live her life
This is how it's gonna be from now on
You see, from now on
Baby's gonna live her life
This is how it's gonna be from now on
You see, from now on
Baby's gonna live her life
Live here life
Live here life
This baby's gonna live her life
Live here life
Live here life
This baby's gonna live her life
Live here life
Live here life

This baby's gonna live her life
