

# Milk Inc, Promise

Promise you won't pray for me,  
Promise you will set me free.  
Promise there's a reason to survive,  
I'll carry on...  
If I came too close,  
I did it all for you.  
If you didn't care,  
I wish for someone new.  
If I'm movin' on,  
Then why are all these fears?  
If I'm standing strong,  
Then why are all these tears?  
Time has the answers,  
Time will make me strong.  
Promise you won't pray for me,  
Promise you will set me free.  
Promise there's a reason to survive,  
I'll carry on...  
If I close my eyes,  
I feel your might inside.  
If I hold my breath,  
I know I must decide.  
If I'm movin' on,  
Then why are all these fears?  
If I'm standing strong,  
Then why are all these tears?  
Time has the answers,  
Time will make me strong.  
I'll carry on... (x4)  
Promise you won't pray for me,  
Promise you will set me free.  
Promise there's a reason to survive.  
(x2)  
I'll carry on... (x2)
