

Milk Inc, Time (Milk Inc)

Time

It may be true

That its worth another try

Then again I often wonder why

Theres no answer, theres no reason left to stay

Is it time? Tell me theres another way

Time take us back in time

Why cant we rewind

And take it back to where we used to be

Time

It may be true

That we shouldnt let this time

Than again I often wonder why

Every day feels like theres nothing left to say

Is it time? Tell me theres another way

Time

Theres no answer, theres no reason left to stay

Is it time? Tell me theres another way

Time

Time take us back in time

Why cant we rewind

And take it back to where we used to be

Time
