## Milla Jovovich, Aggravated Rose

My aggravated rose Is a thorn in her nose Her scratches on my face Where is your white horse?

Another month goes by I wake up as it ends I crawl into my living space Where is your white horse?

Where is your white horse? Where is your face? All of my All of my private places expire

All of my private places (x2)
All of my private places expire All of my private places (x2)
All of my private places expire All of my private places (x2)
All of my private places expire

Of my, of my All of my private places expire Of my, of my, of my...
