

Millencolin, Broken

12 STONES: BROKEN

alone again again alone
patiently waiting by the phone
hoping that you will call me home
the pain inside my love denied
hopes and dreams swallowed by pride
everything i want it lies in you
cause i'm broken
i know i need you now
cause deep inside i'm broken
you see the way i live
i know i know your heart is broken
when i turn away
i need to be broken
take the pain away
i question why you choose to die
when you know your truth i would deny
you look at me
the tears begin to fall
and all in all faith is blind
but i fail time after time
daily in my sin i take your life
all the hate deep inside
slowly covering my eyes
all these things i hide
away from you again
all this fear holding me
my heart is cold and i believe
nothings gonna change
until i'm broken
