Millencolin, Kemp (Home From Home Version)

I gotta learn how to lose and to choose my own wars I gotta understand it's not me against the world no more When you are sure as hell then I don't know You are so pure and well when I am low When you say "Sure as hell" then I say no

A spoke in your whell yeah like a bugging fly A thorn in your side just like a constant red eye On being an ass I've really been a pro So can I say no?!

I know I've tread on your toes and it shows who I am And all these situations and relations from the start They were damned I feel a need to stop when you say go I am indeed a flop if you say so I feel a need to stop so can I say no

A spoke in your wheel yeah like a bugging fly A thorn in your side just like a constant red eye On being an ass I've really been a pro What can I say? Can I say no (4x)

Kemp!
