

Millencolin, No Cigar

Tell us where you're from,
What you want to become
And we'll say if you're OK.
Where did you go to school,
Right answer and you're cool.
Yeah, you're the kid the whole day.
You got a sticker in your face
Information about the case,
So you know your potential.
Don't think you can extend.
Don't think you can extend, just comprehend.
But I don't wanna hear it.
No it's more than I accept.

'Cause, I don't care where I belong no more.
What we share or not I will ignore.
I will ignore.

We will shut you out.
We'll put you in doubt if you think that you're special.
We'll tell you who you are.
We'll tell you that you're close but no cigar.
But, I don't wanna hear it (I don't wanna hear it)
No it's more than I accept.

'Cause I don't care where I belong no more.
What we share or not I will ignore.
And I won't waste my time fitting in.
'Cause I don't think contrast is a sin.

What they say is...
Go back where you came from.
They'll tell you that but, I don't wanna hear.
No, I don't wanna hear. No, I don't wanna hear it.
No, it's more than I accept.

'Cause I don't care where I belong no more.
What we share or not I will ignore.
And I won't waste my time fitting in.
'Cause I don't think contrast is a sin.
No, it's not a sin.
