

# Milow, The ride

If I had a way to get out of this day  
If I had a way I'd get out today  
Man, I would run away, man, I would run  
Cause these walls block out the sun  
Yeah they block out the sun  
Today I've got nothing to lose  
I could go wherever I wanted to  
Leave, jump onto the world  
If I had a way to get out of this deal  
If I had a way I'd break the deal  
I'm gonna grab the wheel, and man, I will drive  
5000 miles just to survive, 5000 miles  
Today I've got nothing to lose  
I could go wherever I wanted to  
Leave, jump onto the world  
As it's spinning 'round going down  
Taking me along for the ride  
For the ride  
If I had a way I'd get out today  
Man, I would run away
