

# Mindless Self Indulgence, Due

Everyone knows  
What you know  
All except me  
That ain't right  
Let me know  
When I get  
The respect that I'm due if only for tonight  
Watch me mix it  
In my basement  
With no makeup  
I feel naked now  
Ha Ha Ha  
I never really lost the fight  
but I never really won it  
Ha Ha Ha  
And die my darling  
Ha Ha Ha  
P.S.-- Welcome to my life
