

# Mindless Self Indulgence, Issues

Oohh, I'd rather fuck her than kiss ya (kiss ya)  
But I won't press the issue  
You know what I need is (I need, I need)  
And ya never gonna be it (be it)  
I shoulda hesitated  
Limousine inebriated  
So unsophisticated (-cated)  
Too late to be debated  
It's 3 a.m. - she won't put out  
Lets go make out with her friends  
Make out with her friends' friends  
It's 3 a.m. - she won't put out  
Lets go make out with her friends  
MAKE OUT WITH HER FRIENDS  
Oohh, I want a lot of profanity  
With a lot of lost virginity  
It's a boy's intuition  
With a right explanation  
'Cause I'm on that mission  
With deducted admission  
Now take my clothes off, and show me what you're made of  
It's 3 a.m. - she won't put out  
Lets go make out with her friends  
Make out with her friends' friends  
It's 3 a.m. - she won't put out  
Lets go make out with her friends  
MAKE OUT WITH HER FRIENDS  
Excuse me, do you want to screw? [x2]  
I'm so amazing in the sack Yes, I'm so amazing in the sack  
I'd rather fuck her than kiss you  
I want a lot of profanity  
With a lot of lost virginity  
Now take those clothes off, and show me what you're made of  
It's 3 a.m. - she won't put out
