

Mindless Self Indulgence, Issues

Oohh, I'd rather fuck her than kiss ya (kiss ya)
But I won't press the issue
You know what I need is (I need, I need)
And ya never gonna be it (be it)
I shoulda hesitated
Limousine inebriated
So unsophisticated (-cated)
Too late to be debated
It's 3 a.m. - she won't put out
Lets go make out with her friends
Make out with her friends' friends
It's 3 a.m. - she won't put out
Lets go make out with her friends
MAKE OUT WITH HER FRIENDS
Oohh, I want a lot of profanity
With a lot of lost virginity
It's a boy's intuition
With a right explanation
'Cause I'm on that mission
With deducted admission
Now take my clothes off, and show me what you're made of
It's 3 a.m. - she won't put out
Lets go make out with her friends
Make out with her friends' friends
It's 3 a.m. - she won't put out
Lets go make out with her friends
MAKE OUT WITH HER FRIENDS
Excuse me, do you want to screw? [x2]
I'm so amazing in the sack Yes, I'm so amazing in the sack
I'd rather fuck her than kiss you
I want a lot of profanity
With a lot of lost virginity
Now take those clothes off, and show me what you're made of
It's 3 a.m. - she won't put out
It's 3 a.m. - she won't put out
Lets go make out with her friends
Make out with her friends' friends
Make out with her friends, make out with her friends' friends [x8]
