

# Ministry, Bloodlines

How did I make this choice?  
Filling my heart up with rage.  
No one can hear my voice.  
The deafening shame.

I lay my life on the line.  
I lost my soul to Bloodlines!

How can you live this way?  
That's a good question.  
I'm walking between the pain  
Without redemption.

I lay my life on the line.  
I lost my soul to Bloodlines!

What is it like to be hated  
Inside a world with no control over time?  
What is it like to be created  
Inside a world where life is a crime?

I lay my life on the line.  
I lost my soul to Bloodlines!

I lay my life on the line.  
I lost my soul to Bloodlines!
