Seor Peligro - Bush's alter ego  
A family of danger - And that's his middle name  
Invasion is imminent - Keeping down the dissidents  
Killing is his business - And business is game

Seor Peligro

Seor Peligro - Lost all his amigos  
From Chile to Panama - And all points in between

The driving force of any war - Is always based in Greed

Seor Peligro is on the attack

"El Presidente Bush es un Asesino  
No cambiaremos sangre por aceite  
Gente muriendo por el amor del dinero

Soportarlo es mas gas para el fuego  
Preparate para el Seor Peligro"
