

# Ministry, Tonight We Murder

red hand takes a purple terror  
love knows these nuts  
when we escape from the madhouse  
we will... hunt down

tonight we murder

between the battle of pain and hate  
we will wait, but not for our time  
we'll for hate and to take  
to deep... throat

tonight  
tonight we murder

between the pain, the battle of pain  
love never ties knots  
a twisted plan of fear and hate  
we'll never untie these nuts

tonight we murder

I murder  
tonight we murder
