

# Mint Condition, U Send Me Swingin'

You send me swingin'  
Oh, you send me swingin'  
chorus  
I wait for a day  
One sweet gentle sway  
Sends your love right my way  
Oh, you send me swingin'  
You send me swingin'  
Oh, you send me swingin'  
I never thought I'd really find  
Someone so beautiful and kind  
Oh what you've done to me  
With just the little things you do  
That's got me crazy over you  
And it's getting stronger  
When I'm with you  
I fall deeper in love (swingin')  
This feeling is the one thing  
My heart is sure of  
So I  
chorus  
Oh, just thinking 'bout you  
And all the things we can do  
Together as one  
If only you can see  
How sweet your love is to me  
So heavenly  
No other way  
To say just how I feel for you (swingin')  
Everyday that passes  
My heart grows closer to you  
chorus  
A chicka boom boom  
Chicka boom boom  
Swingin' on you babe  
Swingin' on you  
A chicka boom boom  
Chicka boom boom  
Swingin' on you  
Swingin' on you
