Mint Condition

You Send Me Swingin'

You send me swingin'
aww you send me swingin'

Chorus:

I wait for the day
Cause we tend to swing
Right to the right right way
Aww you send me swingin'
You send me swingin'
Aww you send me swingin'

I never thought I really find
Someone as beautiful I
Ohhh look what you've done to me
With just the little things you do
You've got me crazy over you
And its getting stronger
When I'm with you
I fall deeper in love
Swingin'
Cause' feeling is the one thing my heart is sure of
So I
Chorus

Just I'm thinking about you
And all those things that we would do
Together as one ohh yeah
If only you could see
How sweet your love is to me
So heavenly
Don't walk away
Just say just how I feel for you
Swingin'
Cause every day that passes my heart swings closer
To You
Chorus

Bum Bum chica bum bum
Swingin' on you
Swingin' on you babe
Chica bum bum chica bum bum
Swingin' on you
Swingin' on you

When I'm with you I fall deeper in love
THEN its feeling thats the one thing my heart is sure of
