

Miranda Cosgrove, Leave It All To Me

I know,
You see
Somehow the world will change for me
And be so wonderful

Live life,
Breathe air
I know somehow we're gonna get there
And feel so wonderful

I will make you change your mind
These things happen all the time
And its all real
I'm telling you just how I feel

So wake up the members of my nation
It's your time to be
Theres no chance unless you take one
And the time to see the brighter side of every situation
Some things are meant to be
So give me your best and leave the rest to me

I know,
It's time
To raise the hand that draws the line
And be so wonderful

Golden,
Sunshine,
I know somehow
It's gonna be mine
And feel so wonderful

Show me what you can become
There's a dream in everyone
And its all real
I'm telling you just how I feel

So wake up the members of my nation
It's your time to be
Theres no chance unless you take one
And the time to see the brighter side of every situation
Some things are meant to be
So give me your best and leave the rest to me

Leave it all to me
So make it right and see it through
You know you won't be free until you

So wake up the members of my nation
It's your time to be
Theres no chance unless you take one
And the time to see the brighter side of every situation
Some things are meant to be
So give me your best and leave the rest to me

Leave it all to me
Leave it all to me
Just leave it all to me
