

Miranda Lambert, Down

Down is where I'm goin'
Pain is what I'm showin'
Love is what I'm takin'
Heart's what I'm breakin'

Strong man lived like a jackson hole
Took my heart and broke my sole
Left a dark place in my chest
I sleep but I don't rest
I sleep but I don't rest

Down is where I'm goin'
Pain is what I'm showin'
Love is what I'm takin'
Heart's what I'm breakin'

Met a boy in Baton Rouge
Eyes were clear and his heart was true
Made the boy's heart scream my name
But he didn't know the game
But he didn't know the game

Down is where I'm goin'
Pain is what I'm showin'
Love is what I'm takin'
Heart's what I'm breakin'

You don't want to be standin' there
When the storm hits you won't have a prayer
My wind will blow you to your knee
Stay away from me
Stay away from me
Stay away from me

Down is where I'm goin'
Pain is what I'm showin'
Love is what I'm takin'
Heart's what I'm breakin'
