

# Mirinda, Angels

We eat sometimes gingerbreads  
And they are very tasty  
1, 2, 3, 4!  
Angels from gingerbread  
Angels from gingerbread  
They are tasty and nutritious  
Angels from gingerbread  
Oh, yes!  
Angels from gingerbread  
Angels from gingerbread  
They are tasty and nutritious  
Angels from gingerbread  
We stir mass  
And to oven  
In beautiful shapes  
This will be delicious splendid  
This is not normal  
But true  
We bake gingerbreads  
Proud gingerbreads  
With angels' help  
Oven will explode  
Ref.  
We have angels  
It eats we know  
They help us everyday  
Stove gingerbreads  
And stove gingerbreads  
This was not given  
It didn't give to make  
Oven swing  
It escapes with help  
Tasty angels  
From gingerbread they are  
I will paralyse it current  
They will be browned  
With mass of chocolate  
We will not hold back  
And we wait two years  
On gingerbreads charm  
Ref.  
We have angels  
It eats we know (we know)  
They help us everyday (everyday)  
Stove gingerbreads  
And stove gingerbreads  
This was not given  
We have angels  
It eats we know (we know)  
They help us everyday (everyday)  
Stove gingerbreads  
I advise with times to me alone  
I need not them help  
We sit  
I am hopeless  
To smile to every will  
Without except  
I wait on it  
Until they to come to me  
And they will help me  
I am mean young girl  
I have in nose of principle  
So I will burn from gingerbread
