

Misfits, The Shining

GO!!!!!!

Control the urge to spit up vile worms... soul
Monsters seduced by her attention
Try draining the infection

GO!!!!!!

Locked in a world of vomit-soaked skin heaven
Monsters seduced by her attention
She's draining the infection

Carol Anne, The Beast is calling
Carol Anne, Carol Anne
She can hear souls sing
Carol Anne, The Beast it needs you
Here it comes! Here it comes!
Reaching out somewhere from inside your T.V.
