

Miss Angie, Hands

I can't go back
I won't go back
'Cause with you I am dead
I can't go back
I won't go back
'Cause with you I am trash
In your hands
In your hands
I die to what I am (x2)
I can't go back
I won't go back
'Cause with You I can live
I can't go back
I won't go back
'Cause with You I don't lack
In your hands
In your hands
I die to what I am (x2)
My life is hidden now
My life is hidden now (x2)
In your hands
In your hands
I die to what I am
