

Miss Kittin, Wash'n'Dry

WASH'N'DRY

Hey, check up your life

Smile this is live

Now the world is watching

Time for the big cleaning

Fall and get hurt

That's the price to be better

And down to the dirt

The only way to go up

Wash'n'dry in the universe

Wash'n'dry in the universe

Hey, check up your life

Smile this is live

Now the world is watching

Time for the big cleaning

Wash'n'dry in the universe

Wash'n'dry in the universe
