Miss Saigon, I Still Believe

KIM

last night I watched him sleeping

my body pressed to him

and then he started speaking

the name I heard him speak...was Kim

yes I know that this was years ago

but when moonlight fills my room I know

you are here... still

I still

I still believe

you will return

Í know you will

my heart

against all odds

holds still

ves. still

I still believe

I know as long as I can keep believing, I'll live

I'll live

love cannot die

you will return

you will return

and I alone know why

(in a bedroom on the other side of the world, in America. A woman is sitting beside CHRIS who is sleeping. She is ELLEN, CHRIS's wife)

ELLEN

last night I watched you sleeping

once more, the nightmare came

I heard you cry out something

a word that sounded like... a name

and it hurts me more than I can bear

knowing part of you I'll never share

never know

but still

I still believe

the time will come

when nothing keeps us apart

my heart, forever more

holds still

(CHRIS wakes up from his sleep with a cry. ELLEN takes him in her

arms and calms him)

ELLEN

it's all over, I'm here

there is nothing to fear

Chris, what's haunting you?

won't you let me inside

what you so want to hide!

I need you too!

KIM ELLEN

for still I will hold you all night, I will make

[it all right

I still believe you are safe with me

as long as I and I wish you could tell what you don't

[want to tell

can keep believing, I'll live what your hell must be

I'll live you can sleep now

you will return you can cry now

and I know why I'm your wife now

I'm yours for life

until we die until we die
