

Miss Saigon, Please

JOHN

I'm not here as a friend
I have a job to do
it's strange to find my work
should lead me here to you
Chris knows all about you
I have shown him all this
but I think that it's time
you know all about Chris

KIM

please, don't you see that's all I live for?
I have him and nothing more
at night, everything that's not him
disappears behind my door

JOHN

please, he went crazy when he lost you
spoke to no one for a year
then he finally said I'm home now,
my life has to go on here
Kim, let me finish talking, please
that was three whole years ago

KIM

yes, yes I know
I know how pain can grow
when the rock you hold onto
is a love miles away, listen:
please, I already know the story
take us to the USA

JOHN

when we finish here, you'll see him
Chris arrived with me today!

KIM

oh Tam! He's here!
he is here, he's so near
we might breathe the same air tonight!
your father's here

KIM JOHN

I dreamed so hard I can't tell her like this
I kept my faith I should not be the one
and now it's true Chris must come see his son
please, they don't say
don't you see we've been in the files
watched over? there's a woman in love
as we crossed here
the wildest sea? what sustained her for miles
even god wants us together Chris still knows nothing of
can I end this journey, can I end this journey
please? please?

JOHN

there's only one thing I can do
I must bring Chris here to see you
