

Miss Saigon, The Last Night Of The World

CHRIS

in a place that won't let us feel
in a life where nothing seems real
I have found you
I have found you

KIM

in a world that's moving too fast
in a world where nothing can last
I will hold you
I will hold you

CHRIS

our lives will change, when tomorrow comes

KIM

tonight our hearts drown the distant drums

CHRIS

and we have music all right
tearing the night
a song
played on a solo saxophone
a crazy sound

KIM

a lonely sound

BOTH

a cry that tells us love goes on and on
played on a solo saxophone
it's telling me
to hold you tight
and dance like it's the last night of the world

CHRIS

on the other side of the earth
there's a place where life still has worth
I will take you

KIM

I'll go with you

CHRIS

you won't believe all the things you'll see
I know 'cause you'll see them all with me

BOTH

if we're together that's when
we'll hear it again
a song
played on a solo saxophone
a crazy sound
a lonely sound
a cry that tells us love goes on and on
played on a solo saxophone
it's telling me
to hold you tight
and dance like it's the last night of the world

KIM

dreams
were all I ever knew

CHRIS

dreams
you won't need when I'm through

BOTH

anywhere
we may be
I will sing with you
our song. . .

(they dance together in the balcony)

BOTH

. . .played on a solo saxophone
so stay with me

and hold me tight
and dance
like it's the last night of the world
