[Timbaland]

Gotta cut the music up man

[Missy Elliott]

[Verse 1 - Missy Elliott]

I'm-I'm-I'm Mi-Mi-Mi-Missy

Radio play m all the time

Write my own rhymes and I swear I'm fly

This flow here form 83

From a to z you can't fuck wit me

Me and Timbaland man I'll be damn

Remember when Lyte was in love wit Sam

I used to be in love wit this guy name Sam

But to me oh my Gosh he was one in a million

I came through cause I rock the show

Wack MC's get kicked in the throat

Keep on sleepin cause you think I'm a joke

Uh, Uh, Uh

Let it bump (Let it bump)

[Chorus 2x]

[Missy (Timbaland)]

I'm Missy

I'm-I'm

Let it bump (Let it bump)

I'm Missy

Let it bump (Let it bump)

I'm Missy

I'm Missy on the microphone (Gotta cut the music up man)

[Verse 2 - Missy Elliott]

I'm Missy on the microphone

I'm stupid fresh that's the shit I'm on {come on}

Sucka MC's come new in the game

Swear ya hip-hop you just a new jack swing {uh}

Remember when Shantay was live on stage

Shantay was live on stage

Let me back that shit up

For ya for ya no hip-hoppers

I'm Missy on the microphone

I'm stupid fresh that's the shit I'm on

Sucka MC's come new in the game

Swear ya hip-hop but don't know Daddy Kane

This time Missy rhyme crazy though

Haters wanna know my antidote

Try to catch up cause ya mind is slow

[Chorus 2x]

[Missy (Timbaland)]

[Break - Missy & (Timbaland)]

(Gotta cut the music up man)

Me and Timba-Timba-Timba-Timba Timbaland
