

Missy Elliott, Lets Talk About Rap

From London bridge, to Brooklyn town
when smoke gets in your eyes
you orta leave it alone a while, if you want to stay alive

chorus:

oohhhh

letssss

lets talk about rap baby

lets talk about slim shady

lets talk about all the ladies who are shady

including me!

lets talk abouuut rap!

From 8 mile road, in my rap town

ill be there really soon

were glam and go, so get in the car or ill drive just like a hoon

bridge:

were all the same nothings gonna change but you have to listen how

were win to wear our pantyhose

so we'll sing the chorus and it goe's.....

chorus:

lets talk about rap baby

lets talk about slim shady

lets talk about all the ladies who are shady

including me!

lets talk abouuut rap!!!
