

Missy Elliott, Missy's Freestyle

verse one: Missy (whats my name)
Mi missy (whats my name)
Mi missy (whats my name)
im su su supa fly
su su supa fly
missy (whats my name)
mi missy (whats my name)
missy yo huh supa fly (fikky, fikky, fikky, fikky)
Dang donit who smoked my mother fu**ing chronic
im bout to pop one in your stomach
get back yeowwww did you see me vomit
fly across your face like a comit
oh missy you better stop it
every flow you throw these niggas wannna cop it
all up in my ass like tissue they so rotten
all yall niggas one taste some of my chocolate
girl you talking mad mad shit
why you bitching
half of you hard niggas leave home twisting
then you wanna come an fuk a fuck around with missy
you know where i be i keep all my numbers listed
hey there buddy you wanna come and get me
better bring your people coz im bringing mine with me
kicking your ass like i job i be shifting
bitch slapping pissing
hey is that missy pimping
oh yes yes it is me yes yes
and i wont rest until the world knows the best
i want more can't take nothing less
let me freak it, freak it, freak it over the flex, over the freak it, freak it
over the flex, over the flex.
