[Timbaland]

Dun-dun-dun, dun-dun-DUNN-dun
Dun-dun-dun, dun-dun-DUNN-dun
Dun-dun-dun, dun-dun-DUNN-dun
Dun-dun-dun, dun-dun-DUNN-dun

I be dippin in clubs, girls screamin, "Do you want it Timb?"
Niggaz, playa hatin sayin, "Who the hell is him?"
I'm in the back, gleamin from all that virgin gem
Keep a bunch of pretty models surroundin Timb
I'm over capac'y when it come to makin them beats
Me and Missy makin Y'ALL, move y'all feet
Makin y'all dance and tango, make y'all legs get weak
That's only cause we drop a bunch of heat
That's whatcha gonna expect, comin from my crew
Bunch of dope beats, and a bunch of dope lyrics too
I know that's too much for you to handle dude
Now ask yourself what..

[Chorus: Timbaland]

Whatcha gonna do? Whatcha gonna do?
Whatcha gonna do? Whatcha gonna do?
Whatcha gonna do? Whatcha gonna do?
Whatcha gonna do? Whatcha gonna do?

[Missy]

When me come in the spot, dem wannn' jock
Dem nasty boy lookin around, with big cocks
Them girls be plottin on how to get the rocks
So I beat that ass to the ground like I'm the cops

[Chorus]

[Timbaland]

Better get all my dough, pluckin the hair in my nose
It's official I'm a pimp, cause my name glows
If (?) I'm back to the Yugos

[Missy]
