

# Mitchel Musso, Lean On Me

(Lean on me, Lean on me)  
Don't you ever give up on your dreams  
No matter how hard things around you seem  
You gotta keep your head on what you do today  
Keep holding on, cause help is on the way.  
When outta the blue, your buddies appear  
They're like, instant friends and their mission is clear  
Keep workin together to make it all real  
It's what you've been hopin all along you'd feel  
Well you can lean on me  
Lean on me, when you're not strong  
And I'll be your friend, I'll help you carry on.  
For, it won't be long, till I'm gonna need  
Somebody to lean on.  
You can lean on me, to help you stand  
You know I'll be right there, it's part of the plan  
Together today, we'll get it done  
At the end of the story, the victory is won  
No matter how simple this might sound  
Helpin' someone else is where love is found  
Just reach out your hand to show you care  
The greatest gift, is the one you share.  
Well you can lean on me.  
Lean on me, when you're not strong  
And I'll be your friend, I'll help you carry on.  
For, it won't be long, till I'm gonna need  
Somebody to lean on.  
Just call  
Just call on me brother, when you need a hand  
We all need somebody, to lean on.  
I just might have a problem, that you'd understand  
We all need somebody, to lean on.  
Just call on me, just call  
Just call on me, you know you can call  
Just call on me, just call  
Just call on me, woo!  
Oh oh, oh oh lean on me!  
Lean on me, lean on me  
Oh oh, oh oh lean on me!  
Lean on me (lean on me)  
When you're not strong (when you're not so strong)  
And I'll be your friend (I'll be your friend)  
I'll help you carry on (you know you gotta carry on)  
For (oh!) it won't be long,  
Till I'm gonna need (gonna need)  
Somebody to lean on.  
Just call on me, just call  
Just call on me, you know you can call  
Just call on me, just call  
Just call on me.
