

Mitchel Musso, Shout It

she's so innocent
and when she speaks I listen
she is my angel sent from up above-uh-oh-uh-oh
she's my fire
my only one desire
she's in the front row
yea she comes in every show-uh-oh-uh-oh
and I want you to know
shout it shout it shout it from the roof top let it out
shout it shout it shout it so the world can hear it now
i dont know what to say or do so ill just scream it
shout it shout it shout it from the roof top let it out
shout it shout it shout it so the world can hear it now
i dont know what to say or do so ill just shout it out to you
so ill just shout it out to you
she's just like fire
my only one desire
she's in the front row
yea she comes in every show-uh-oh-uh-oh
and i want you to know
shout it shout it shout it from the roof top let it out
shout it shout it shout it so the world can hear it now
i dont know what to say or do so ill just scream it
shout it shout it shout it from the roof top let it out
shout it shout it shout it so the world can hear it now
i dont know what to say or do so ill just shout it out to you
so ill just shout it out to you
one she's sweet her eyes are green
come take my hand
follow my lead
i know just where she'll be
row 6 C section 3
she's cool she's hot she's all i need
means alot everything to me
when she walks in bringin breeze
hold my hand so they can see
she's with me
shout it shout it shout it from the roof top let it out
shout it shout it shout it so the world can hear it now
i dont know what to say or do so ill just scream it
shout it shout it shout it from the roof top let it out
shout it shout it shout it so the world can hear it now
i dont know what to say or do so ill just shout it out to you
so ill just shout it out to you
