

Miz, She's A Freak

She's A Freak
Shes the cheerleader queen
You dream about
Perfect eyes perfect smile
So beautiful
You get lost in her charm
When she comes around
But you better think twice
Cause shes not Mrs right
Shes a freak, shes a fake
Just a big mistake
Let me introduce to you
The woman of your dreams
Shes a freak, cant you see
Shes not what you need
You gotta let it go
Shes freaking you out
Shes the popular girl
With the golden hair
Perfect friends perfect grades
So wonderful
You get lost in her eyes
Feeling paralyzed
But I want you to know
Her beautiful smile is based
On a lie
Shes a freak, shes a fake
Just a big mistake
Let me introduce to you
The woman of your dreams
Shes a freak, cant you see
Shes not what you need
You gotta let her go
Shes freaking you out
Shes freaking you out
Just a cheerleader queen
That you dream about
Shes so god damn obscene
Shes freaking you out
Hey, shes a freak
Shes a freak, shes a fake
Just a big mistake
Let me introduce to you
The woman of your dreams
Shes a freak, cant you see
Shes not what you need
You gotta let her go
Shes freaking you out
