

# MK Schulz & Candy Girl, Rock Stars

We're rock stars  
Ready to rock  
We on the brave new ride from the block  
Represent high  
Ready to shot  
We on the brave new ride from the block

We don't care what they think  
We don't care what they say  
Hello, hello, hello  
We're gonna break the low  
We're gonna stay against  
Hello, hello, hello

Is getting late  
But we don't stop  
If you don't have to go  
There are no limits  
Only luck we just
