

# MØ, Blur (ft. Foster The People)

under the bad, bad moon tonight  
or baby is it just me?  
or is it something in the air we breathe?  
cause I'm feeling dizzy, dizzy

how was the party?  
was it trading you right?  
I wish that I could be there but I'm  
under the bad  
bad mon tonight  
baby, can you help me?

let me out  
I'm trapped in a blur  
started out the way I wanted but it's weird now  
let me out, I'm lost in the words  
too much in my head  
I shoulda seen the bad signs

I wanna tell you everything will be fine  
but I'm afraid that it's a waste of your time  
let me out, I'm lost in the words  
don't know how I ended here  
trapped in a blur

I've had this weird thoughts for a while  
can't shake them, when I'm so low  
think about it, I'm post-traumatic  
all I know is when I'm stressing I smoke more

I hit my friends up on the phone  
it only comes out a war zone  
under the bad, bad moon tonight  
I just need to come clean

let me out  
I'm trapped in a blur  
started out the way I wanted but it's weird now  
let me out, I'm lost in the words  
too much in my head  
I shoulda seen the bad signs

I wanna tell you everything will be fine  
but I'm afraid that it's a waste of your time  
let me out, I'm lost in the words  
don't know how I ended here  
trapped in a blur
