-Refrain-

Mo! Hart

And there shall be great earthquakes  
and the sun becomes as black as sack cloth and the moon as blood.  
And the stars of heaven shall fall unto the earth, even as a fig tree  
casts her untimely figs when she is shaken of the mighty wind. And the heavens  
the heavens will depart as a scroll when it is rolled together.  
And every mountain and island will move out of their places.  
And the kings of the earth, and the great men, and the rich men  
and the ship captains, and the mighty men, and every bond-man  
and every free man shall hide themselves in the dens and in the  
rocks of the mountains. And shall say to the mountain and the rocks,  
"Fall on us, fall on us and hide us from the face of him that sit  
upon the throne and from the wrath of the lamb, for the great day  
of his wrath has come"; And who shall be able to stand? Who shall  
be able to stand? Who shall be able to stand?
