## Mobb Deep, Amerikaz Nightmare

(Havoc)

Yea.. Amerikaz Motherfuckin Nightmare bitch

(Havoc) They wanna know, where the hood at, nigga we right here Live in the flesh, with the Tec's and never scared Them guns we holdin, claustrophobic, we'll let 'em air Dump Dump, reloaded Amerikaz Nightmare They wanna know, where the hood at, nigga we right here Live in the flesh with the Tec's and never scared Them guns we holdin, claustrophobic, we'll let 'em air Dump Dump, reloaded the Amerikaz Nightmare

(Havoc)

Dogs, I think smarter, reach harder slugs travel much farther Nigga stompin' a Timberland wearing, face carver With the box cutter, top gutter I'll hover over you lames, Run for cover, into your brain (yea) You did your thang but, not very good And by the, looks of things, You can't come back to the hood This is not a good look for you my nigga Whats really poppin, Inquirin minds wanna know How you rocking them, new guns, we cope those In bulk, like we bought 'em in Cosco's Don't get yaself murked, wet shirt Said it first, hurry this that red alert You ain't gotta get bucked to know that this led'll hurt The sight of my Hammer, gotcha heart pumping Nerves twitching, Eyes jumping, heads will roll when the pound starts kicking You be missing Moms will be wearing that yellow ribbon

## (Chorus)

They wanna know, where the hood at, nigga we right here Live in the flesh with them Tec's and never scared Them guns we holdin', claustrophobic, we'll let 'em air Dump Dump, reloaded Amerikaz Nightmare

While I'm somewhere in the Caimen Islands, chillin, Nigga.

(Prodigy)

Yo You know we keep them big thangs (big thangs) That make dead people when we hit brains (hit brains) It's a wrap for the sequel get yo whip spray'd (whip sprayed ) Tho I rather hit you walkin, get yo shit shaved ( shit shaved ) Plus showered up, talkin then we split, EY (woo wooo) Wont catch me gun smokin, have the cops think It was drugs that provoke it while we rollin, EY Baby girl, I see you, can I get a taste Of that thang, heard its lethal in a good way Just so you kno I ain't the one that get yo clit ate But hope you got a strong back, I'll make yo shit break You'll be walking like a penguin for a few days Yo Bitch, you know we got BIG CASH Money fallin out our pockets, give you whiplash When we drive past your projects, ain't nobody can stop us Infamous they can't stop us, They want our spot Yo fall back nigga we got this

## (Chorus)

I got love for my niggaz, love for my niggaz

Love for my niggaz, got love for my niggaz I bust slugs for my niggaz, slugs for my niggaz Slugs for my niggaz, bust slugs for my niggaz

(Havoc)

Yo slugs touchin, medics will rush 'em
Jake dusting for Prints, make shift
Morgue made for you pricks
You know what stay on my hip, you know the hood that I rep
You know we dumpin' them clips
You in the valley of death

(Prodigy)

Get comfortable nigga, you runnin out of breath (outta breath) Ya blood is spilling thru the sealing of the necks (of the necks) Floor or have you flood the cement Ouside somewhere on the streets, no longer in the flesh.

(Chorus)X2
