## Mobb Deep, Give up the goods

| Hey yo Queen's get the Mone | y long time no cash I'm | caught up in the hustl | e when the guns go bla |
|-----------------------------|-------------------------|------------------------|------------------------|
|                             |                         |                        |                        |
|                             |                         |                        |                        |
|                             |                         |                        |                        |
|                             |                         |                        |                        |
|                             |                         |                        |                        |
|                             |                         |                        |                        |
|                             |                         |                        |                        |
|                             |                         |                        |                        |
|                             |                         |                        |                        |
|                             |                         |                        |                        |
|                             |                         |                        |                        |
|                             |                         |                        |                        |
|                             |                         |                        |                        |
|                             |                         |                        |                        |
|                             |                         |                        |                        |
|                             |                         |                        |                        |
|                             |                         |                        |                        |
|                             |                         |                        |                        |
|                             |                         |                        |                        |
|                             |                         |                        |                        |
|                             |                         |                        |                        |
