## Mobb Deep, So Long

(Verse One: Havoc)

Why the f\*\*k did your your ass have to go and get knocked now you got me on the phone, straight talkin' to the cops tryin' to verify your government they got you now, they lovin' it, they wanna hang that ass, couldn't get you in the past though I can't see your problem you was still young at the time did a lot of older things, you was ahead of your time never told you to slow down resee your crown heights, you wild all I could say was be careful give you a dap to bounce shit that you went through watched the drama amount gave a f\*\*k long, you wasn't part of the body count

gave a f\*\*k long, you wasn't part of the body count now I feel guilty, half the blame of your incarceration till the interveine, when you first started catching cases f\*\*k to this, dunn, now you in there gotta hold it down, you mother's only son and I'ma ride for you, baby, 'cause a lot of it is still love

I'm still there, when you get home, I'ma be there

(Chorus: Havoc (4x))

You gotta (hold on) No matter (how long) And it seems (so long)

(Verse Two: Prodigy)

I can't believe they got my dunn, it feel like my fault 'cause I fronted you that money to get that dough any man's ain't accountable for they action

still and all I feel responsible for you being gone I hit the mall 'till it happened, k.a. now & then just so, you can live and keep your little cosmetics in that five years, it was a little dough we made out of sight, out of mind, naw dog it's not me, I miss you you on my mind daily even though I scribe to a nigga, really, you feel me trying to get my shit together so you could be proud, when you touch down we got businesses to run now peep it back how we used to run up in a nigga's house on some pety crime shit, boy we was not playin' on occassion, I still check ya, brotha 'tll the end Black, and bone crazy ass reading ya letters, I see you ain't losin' ya sense of humour talkin' to you on the phone made my day cooler tellin' me, how you'll deaf, to see your nose out you need to bring your black ass home and cut that bullshit out I could remember me and killa would test our new guns in the projects 'cause that's where police won't come, iller g my nigga 'till death do us you almost home, until then hold ya head, dunn

(Chorus: Havoc (4x))

You gotta (hold on)

No matter (how long) And it seems (so long)
