

# Mobile, The Killer

My heart has slowly ceased to feel;  
My eyes go blind whenever you are coming near.  
All of my days have drowned in tears;  
And I blame you for all these endless cryin' years.

Yeah, yeah! You know what I am sayin' is true.  
Yeah, yeah! You know what I am sayin' is...  
Yeah, yeah! You know what I am sayin' is true.  
The killer in me is you.

Now you see, you can't be redeemed.  
Your sympathies don't mean a single thing to me.

Yeah, yeah! You know what I am sayin' is true.  
Yeah, yeah! You know what I am sayin' is...  
Yeah, yeah! You know what I am sayin' is true.  
The killer in me is you.

You can choose, win or lose,  
You know I am tied to you.  
Comfort me, believe me,  
There is nothing left to do.  
You can choose, win or lose,  
You know I am tied to you.

'Cause you know its true,  
The killer in me is you.

Yeah, yeah! You know what I am sayin' is true.  
Yeah, yeah! You know what I am sayin' is...  
Yeah, yeah! You know what I am sayin' is true.  
The killer in me is you.
