

Moby, Bring Sally Up

Bring sally up
And bring sally down
Lift and squat
Gotta tear the ground (x8)

Old miss lillie's dead and gone
left me here to weep and moan

Bring sally up
And bring sally down
Lift and squat
Gotta tear the ground (x6)

Old miss lillie's dead and gone
left me here to weep and moan

Bring sally up
And bring sally down
Lift and squat
Gotta tear the ground (x5)

Old miss lillie's dead and gone
left me here to weep and moan

Bring sally up
And bring sally down
Lift and squat
Gotta tear the ground (x12)

Old miss lillie's dead and gone
Left me here to weep and moan
