

# Modern English, Here We Go Again

Here we go again  
London is insane  
Confusion in my brain  
Here we go again

Pleasure turns to pain  
A disposable refrain  
It's feeling very strange  
Here we go again

Here we go again  
It's always the same  
nothing seems to change  
Here we go again

As the television fades  
The cloud it turns to rain  
Money to be made  
Here we go again  
Here we go again

I Don't Know Anything

I've read your books

And seen your films  
I've lived this life  
And tried everything

But I don't know anything

Concentrated  
Anticipated  
Confirmation of inspiration

And I don't know anything

I've seen your face  
Your state of Grace  
I've watched this world  
And how it turns  
And I don't know anything

Concentrated  
Anticipated  
Confirmation of inspiration

And I don't know anything
