

Modern Talking, Rain In My Heart

If I have to cry, if I have to kill
If I have to die, oh baby I will
As long you stay, baby by my side
If I have to beg, if I have to steal
If I have to swim, through oceans, I will
As long you stay, baby by my side
I miss you forever, forever my love

Oh baby, why does it always rain in my heart
My sweet baby?
Oh my lady, I can't live without you, oh no
Oh baby, why does it always rain in my heart
Tell me baby
Oh my lady, I'm lonely and I'm blue

If I have to climb, on the greatest hill
If I have to fall, oh baby I will
As long you stay, baby by my side
If I have to lose, everything just for you
If I have to fight, oh baby I'll do
As long you stay, baby by my side
I love you forever, forever my love
