

# Modern Talking, Sexy, Sexy Lover (Rap Version)

Oh I'm looking on the same old star  
I'll be there for you - but you're so far  
Please come back to me - I can't love a memory  
You're the nearest thing to heaven girl  
Baby just for you, I'll fly around the world  
Oh everything I'll do, I do just for you

My sexy, sexy lover, oh tell me there's no other  
There's no other, oh deep in your heart  
My sexy, sexy lover, I wanna be your cover  
There's no other, who's breaking apart  
Oh my sexy little lover, swear there is no other  
I'll feel alone, when I'm coming home  
Oh, my sexy little lover, tell me there's no other  
When I'm down, need you all around

I'm not a man, who wants to be alone  
I can't love you at the telephone  
Oh baby you and I, we're flying one mile high  
Oh nobody knows, how I feel tonight  
I would die for you, if you're by my side  
More than you will know, oh babe my love will grow
