

# Modest Mouse, Call To Dial-A-Song

Well I might be a lot of things, but I won't be ignored  
When I see you coming, the chariots of the Lord  
Well the pale horses are riding, and the judgment day's at hand  
And I'm waiting for the good Lord to take me by the hand.

Hey Isaac, this is Spencer.  
Um.....I'm calling about, uh, going to Montana.  
Um.....so you need to give me a ring here  
so we can work out some of those details and stuff,  
'cause it could get kind of hairy or whatever.  
So, uh, give me a call.  
Alrighty, bye-bye.
