

Modest Mouse, Edit The Sad Parts

Sometimes all I really want to feel is love
Sometimes I'm angry that I feel so angry
Sometimes my feelings get in the way
Of what I really feel I needed to say

If you stand in a circle
Then you'll all have a back to bite
Backlogged books on the seven wonders
We're all so funny but he's lost his joke now
All communication ends in one-lined jokes
From stand up comics and rock musicians
Makin' so much noise you don't know when to listen

Why are you judging people so damn hard
You're taking your point of views a bit too far
I made my shoes shine with that coal
But the polish didn't shine the hole

If you stand in a circle
Then you'll all have a back to bite
Backlogged books on the seven wonders
We're all so funny but he's lost his joke now
All communication ends in one-lined jokes
From stand up comics and rock musicians
Makin' so much noise you don't know when to listen

Think it over
There's the air of the height of the highrollers
Think it over
You ain't got nothing 'til ya know her
