

Modest Mouse, Exit Does Not Exist

Does not Exist
Take an Exit

I hear voices insinuat
feeds me lyrics to this song
that I am saying. Sunlight 7:20 p.m.
early September standing looking at a photograph
that you do not remember being taken
You look out of breath, and me like I am
fakin'. As a matter of fact I don't recall this
photo being taken. You don't even actually exist
So I just started shaking

Does not exist
Take an exit.
