

Modest Mouse, Grey Ice Water

You're standing by the gray ice water
Out in the wind above the ground out in the weather
You had yourself a crazy lover
Becoming frozen trying hard to forget her
You got a job up in Alaska
It's easy to save what the cannery pays
Cause there ain't nowhere to spend it
At home on a boat, it's a fish trap
You took the path of least resistance
On the phone cutting out talking
Short to long distance
You're standing by the grey ice water
Out in the wind above the ground out in the weather
You had yourself a crazy lover
Becoming frozen trying hard to forget her
You got a job up in Alaska
It's easy to save what the cannery pays
Cause there ain't nowhere to spend it
On the arctic glass
On the arctic glass
On the arctic glass
On the arctic glass
On the arctic glass
On the arctic glass
On the arctic glass
