

# Modest Mouse, Ohio

OHIO

Took a bus straight to Baltimore  
on the way he took a nap  
dropped off a note that said,  
&quot;I'm giving this note back.&quot;  
P.S. There's a lot goin' on underneath, there's  
roots, the pipes and there's drainage leaks.

You're on

You're wrong

OHIO

Truly sorry, I see clearly  
Calmly crashing I pace faster than anyone  
Hinges rusting, they swing louder than anything  
Truly lonely this place is flatter than it seems  
I'm upset and I leave the doors open wide,  
Our hearts are used up, cracked and dry  
Pulled the scabs off of regrets  
we haven't learned to eat our conscience yet.  
Truly sorry, I see clearly  
Hardy hoping I spend it all on game machines  
Calmly crashing I pace and I figure out again.  
One hand clapping  
Awake, but napping  
Rows of lights to illuminate lines.  
Why don't they turn them off and let us see night.

Drove crazed groomin' my lies  
You can't look in on one way eyes.
