

Modest Mouse, Other People's Lives

This is how it seems to be.

Other people's lives seem more interesting cause they ain't mine
Other people's lives seem more interesting cause they ain't mine
Other people's lives seem more interesting cause they ain't mine
Other people's lives seem much more interesting.

Well, I'm fed up and I need to go,
Out of existence or just down the road
forever.

Well, later that night on the side of the road,
I'm outta gas and I should have known better.

Well, a guy shows up he's 25 years old,
always steals his kisses, such a mama's boy,
he said, and that's what he said.

He'd been in the army and he did some speed.
He went down to Thailand, and he did the deed,
oh yeah, he did it for the boys.
The cops showed up, way damn late.
I was excited, but usually I hate to see them.

Other people's lives seem more interesting cause they ain't mine.
Other people's lives seem more innocent cause they ain't mine.
Other people's lives seem more interesting cause they ain't mine.
Other people's lives seem more interesting cause they ain't mine.

Later that night on the side of the road,
I'm out of gas and I should have known better.. yeah.
I'm fed up and I need to go,
Out of existence or just down the road forever.. oh yeah!
Well, a guy shows up he's 25 years old,
Always steals his kisses, such a mama's boy,
He said, and that's what he said.
Palm tree houses, way down lane,
I was excited, but usually I hate to see them.. yeah

(Isaac mumbling)

...on the road
out of road
going out
out of gas
out of road
out of car
out of everything at last
out, out of where you're parking it
got yourself a crazy walk
I said he's bowlegged,
Or maybe he just might be peglegged
or something like that.

Late at night on the side of the road
I'm out of gas and I should have known better.. oh yeah
palm tree houses, way down lane
I was excited but usually I hate to see them.. yeah

(Isaac mumbling)

...Big car...

...out of gas and nothing left...
